DISPUTE RESOLUTION

Binding Arbitration

If the Parties are unable to resolve a Dispute through informal negotiations, the Dispute (except those Disputes expressly excluded below) will be finally and exclusively resolved by binding arbitration. YOU UNDERSTAND THAT WITHOUT THIS PROVISION, YOU WOULD HAVE THE RIGHT TO SUE IN COURT AND HAVE A JURY TRIAL. The arbitration shall be commenced and conducted under the Commercial Arbitration Rules of the American Arbitration Association ("AAA") and, where appropriate, the AAA's Supplementary Procedures for Consumer Related Disputes ("AAA Consumer Rules"), both of which are available at the AAA website www.adr.org. Your arbitration fees and your share of arbitrator compensation shall be governed by the AAA Consumer Rules and, where appropriate, limited by the AAA Consumer Rules. If such costs are determined to be excessive, we will pay all arbitration fees and expenses. The arbitration may be conducted in person, through the submission of documents, by phone, or online. The arbitrator will make a decision in writing, but need not provide a statement of reasons unless requested by either Party. The arbitrator must follow applicable law, and any award may be challenged if the arbitrator fails to do so. Except where otherwise required by the applicable AAA rules or applicable law, the arbitration will take place in Nassau County County, New York. Except as otherwise provided herein, the Parties may litigate in court to compel arbitration, stay proceedings pending arbitration, or to confirm, modify, vacate, or enter judgment on the award entered by the arbitrator

GOVERNING LAW

These Terms of Use and your use of the Software are governed by and construed in accordance with the laws of the State of New York applicable to agreements made and to be entirely performed within the State of New York, without regard to its conflict of law principles.

MODIFICATIONS AND INTERRUPTIONS

We reserve the right to change, modify, or remove the contents of the Software at any time or for any reason at our sole discretion without notice. However, we have no obligation to update any information on our Software. We also reserve the right to modify or discontinue all or part of the Software without notice at any time. We will not be liable to you or any third party for any modification, price change, suspension, or discontinuance of the Software.

We cannot guarantee the Software will be available at all times. We may experience hardware, software, or other problems or need to perform maintenance related to the Software, resulting in interruptions, delays, or errors. We reserve the right to change, revise, update, suspend, discontinue, or otherwise modify the Software at any time or for any reason without notice to you. You agree that we have no liability whatsoever for any loss, damage, or inconvenience caused by your inability to access or use the Software during any downtime or discontinuance of the Software. Nothing in these Terms of Use will be construed to obligate us to maintain and support the Software or to supply any corrections, updates, or releases in connection therewith.

TERM AND TERMINATION

These Terms of Use shall remain in full force and effect while you use the Software. WITHOUT LIMITING ANY OTHER PROVISION OF THESE TERMS OF USE, WE RESERVE THE RIGHT TO, IN OUR SOLE DISCRETION AND WITHOUT NOTICE OR LIABILITY, DENY ACCESS TO AND USE OF THE SITE (INCLUDING BLOCKING CERTAIN IP ADDRESSES), TO ANY PERSON FOR ANY REASON OR FOR NO REASON, INCLUDING WITHOUT LIMITATION FOR BREACH OF ANY REPRESENTATION, WARRANTY, OR COVENANT CONTAINED IN THESE TERMS OF USE OR OF ANY APPLICABLE LAW OR REGULATION. WE MAY TERMINATE YOUR USE OR PARTICIPATION IN THE SITE OR DELETE YOUR ACCOUNT AND ANY CONTENT OR INFORMATION THAT YOU POSTED AT ANY TIME, WITHOUT WARNING, IN OUR SOLE DISCRETION.

If we terminate or suspend your account for any reason, you are prohibited from registering and creating a new account under your name, a fake or borrowed name, or the name of any third party, even if you may be acting on behalf of the third party. In addition to terminating or suspending your account, we reserve the right to take appropriate legal action, including without limitation pursuing civil, criminal, and injunctive redress.

PRIVACY POLICY

We care about data privacy and security. Please review our Privacy Policy below the Terms of Use. By using the Software, you agree to be bound by our Privacy Policy, which is incorporated into these Terms of Use. Please be advised the Software is hosted in the United States. If you access the Software from the European Union, Asia, or any other region of the world with laws or other requirements governing personal data collection, use, or disclosure that differ from applicable laws in the United States, then through your continued use of the Software, you are transferring your data to the United States, and you expressly consent to have your data transferred to and processed in the United States. Further, we do not knowingly accept, request, or solicit information from children or knowingly market to children. Therefore, in accordance with the U.S. Children's Online Privacy Protection Act, if we receive actual knowledge that anyone under the age of 13 has provided personal information to us without the requisite and verifiable parental consent, we will delete that information from the Software as quickly as is reasonably practical.

SITE MANAGEMENT

We reserve the right, but not the obligation, to: (1) monitor the Software for violations of these Terms of Use; (2) take appropriate legal action against anyone who, in our sole discretion,

violates the law or these Terms of Use, including without limitation, reporting such user to law enforcement authorities; (3) in our sole discretion and without limitation, refuse, restrict access to, limit the availability of, or disable (to the extent technologically feasible) any of your Contributions or any portion thereof; (4) in our sole discretion and without limitation, notice, or liability, to remove from the Software or otherwise disable all files and content that are excessive in size or are in any way burdensome to our systems; and (5) otherwise manage the Software in a manner designed to protect our rights and property and to facilitate the proper functioning of the Software.

Restrictions

The Parties agree that any arbitration shall be limited to the Dispute between the Parties individually. To the full extent permitted by law, (a) no arbitration shall be joined with any other proceeding; (b) there is no right or authority for any Dispute to be arbitrated on a class-action basis or to utilize class action procedures; and (c) there is no right or authority for any Dispute to be brought in a purported representative capacity on behalf of the general public or any other persons.

Exceptions to Arbitration

The Parties agree that the following Disputes are not subject to the above provisions concerning binding arbitration: (a) any Disputes seeking to enforce or protect, or concerning the validity of, any of the intellectual property rights of a Party; (b) any Dispute related to, or arising from, allegations of theft, piracy, invasion of privacy, or unauthorized use; and (c) any claim for injunctive relief. If this provision is found to be illegal or unenforceable, then neither Party will elect to arbitrate any Dispute falling within that portion of this provision found to be illegal or unenforceable and such Dispute shall be decided by a court of competent jurisdiction within the courts listed for jurisdiction above, and the Parties agree to submit to the personal jurisdiction of that court. If for any reason, a Dispute proceeds in court rather than arbitration, the Dispute shall be commenced or prosecuted in the state and federal courts located in Nassau County County, New York, and the Parties hereby consent to, and waive all defenses of lack of personal jurisdiction, and forum non conveniens with respect to venue and jurisdiction in such state and federal courts. Application of the United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act (UCITA) are excluded from these Terms of Use.

In no event shall any Dispute brought by either Party related in any way to the Software be commenced more than one (1) years after the cause of action arose. If this provision is found to be illegal or unenforceable, then neither Party will elect to arbitrate any Dispute falling within that portion of this provision found to be illegal or unenforceable and such Dispute shall be decided by a court of competent jurisdiction within the courts listed for jurisdiction above, and the Parties agree to submit to the personal jurisdiction of that court.

Welcome to our Privacy Policy

Your privacy is critically important to us.

It is SafeScription's policy to respect your privacy regarding any information we may collect while operating our software. This Privacy Policy applies to SafeScription, LLC, doing business as SafeScription ("SafeScription", "we", "us", or "our"), concerning your access to and use of SafeScription's signature verification software as well as any other media form, media channel, mobile website or mobile application related, linked, or otherwise connected thereto (collectively, the "Software"). We respect your privacy and are committed to protecting personally identifiable information you may provide us through the Software. We have adopted this privacy policy ("Privacy Policy") to explain what information may be collected on our Software, how we use this information, and under what circumstances we may disclose the information to third parties. This Privacy Policy applies only to information we collect through the Software and does not apply to our collection of information from other sources.

This Privacy Policy, together with the Terms and Conditions posted on our Software, set forth the general rules and policies governing your use of our Software. Depending on your activities when visiting our Software, you may be required to agree to additional terms and conditions.

Software Users

Like most software operators, SafeScription collects non-personally-identifying information of the sort that software and servers typically make available, such as the time, and the date and time of each log-in request. SafeScription's purpose in collecting non-personally identifying information is to better understand how SafeScription's users use its software in order to provide updates to better suit the user-experience, as well as to provide security to prevent unauthorized users from accessing the software. From time to time, SafeScription may release non-personally-identifying information in the aggregate, e.g., by publishing a report on the amount of signatures processed through its software.

SafeScription also collects potentially personally-identifying information like first and last names for logged in users.

Gathering of Personally-Identifying Information

Users of SafeScription's software choose to interact with SafeScription in ways that require SafeScription to gather personally-identifying information. The amount and type of information that SafeScription gathers depends on the nature of the interaction.

Use of User Data

By using this application, you agree that the data you submit and that is collected can be utilized by SafeScription for internal purposes.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Protection of Certain Personally-Identifying Information

SafeScription discloses potentially personally-identifying and personally-identifying information only to those of its employees, contractors and affiliated organizations that (i) need to know that information in order to process it on SafeScription's behalf or to provide services available on SafeScription's software, (ii) internally utilize that information for use on their behalf, and (iii) that have agreed not to disclose it to others. SafeScription will not rent or sell potentially personally-identifying and personally-identifying information to anyone. Other than to its employees, contractors and affiliated organizations, as described above, SafeScription discloses potentially personally-identifying and personally-identifying information only in response to a subpoena, court order or other governmental request, or when SafeScription believes in good faith that disclosure is reasonably necessary to protect the property or rights of SafeScription, third parties or the public at large.

If you send us a request (for example via a support email or via one of our feedback mechanisms), we reserve the right to publish it in order to help us clarify or respond to your request or to help us support other users. SafeScription takes all measures reasonably necessary to protect against the unauthorized access, use, alteration or destruction of potentially personally-identifying and personally-identifying information.

Aggregated Statistics

SafeScription may collect statistics about the behavior of visitors to its software. SafeScription may display this information publicly or provide it to others. However, SafeScription does not disclose your personally-identifying information.

Privacy Policy Changes

Although most changes are likely to be minor, SafeScription may change its Privacy Policy from time to time, and in SafeScription's sole discretion. SafeScription encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of this software after any change in this Privacy Policy will constitute your acceptance of such change.
